

## Dukeries Cycle Route 4 - distance 23 miles(37km)

Through the Forest – with short diversions available to Clumber or Thoresby Hall.

Traffic light crossing point on the A614.

Then across the farming country to the east with quiet lanes and farm tracks. Bothamsall and Bevercotes are interesting old villages.

Care needed going through Kirton and from Wellow to Rufford.

Worth diverting to the green in Wellow to see the maypole and to Ruford Abbey Country Park.

At the A614, Vexation Lane is the byway across the road behind the fence. Be very patient here and wait for a suitable gap. Care needed on the section into Edwinstowe.
